Re: Program of Duke Energy Progress, LLC, and Duke Energy Carolinas, LLC, Requesting Approval of Green Source Program; Docket 2018-320-E.

Dear Ms. Boyd:

Please note that First Quality Tissue SE is supportive of the Renewable program proposed by the Duke Energy. We may register to participate under this program and support the concept of this program. We find that the option proposed by the Duke Energy fair to both the participating customers and the non-participating customers.

Please contact us if you have any questions concerning this filing.

Sincerely,

A handwritten signature in black ink that reads 'Bob Kenney'.
